SUNDAY SCHOOL LESSON.

"Jesus Tells Who Are Blessed."—International S. S. Lesson for March 4, 1906.

BY REV. WILLIAM EVANS, D. D. (Director Biblical Department of the Moody Bible Institute, Chicago; Official Lecturer of the Cook County (Chicago) Sunday School Association on the International S. S. Lessons.)

(Copyright, 1906, by Joseph H. Bowles)

Theme: Jesus tells us the secret of happiness.

Scripture Lesson: Matthew 5:1-16

Golden Text: "Blessed are the pure in heart for they shall see God."

Jesus a Preacher of Happiness.

The theme of Christ's first sermon was happiness. He began His mission with a benediction. Thoroughly understanding the needs of the human heart, He set about answering its supreme question, What is Happiness, and Where can it be found? Today, as in the days of Christ's earthly mission, the supreme quest of man is the quest of happiness.

Happiness Hard to Define.

It is clear that Jesus attempted to define happiness. Indeed, it is a question whether it can or cannot be defined. Happiness is a relative term. What would make one person happy might not bring about the same result in the life of another. Jesus deals with the essential conditions of happiness—conditions which are not peculiar or limited to any one class of society, but which may be characteristic of them all. These conditions are not social and physical, but moral and spiritual, and thus are within the reach of all men.

Who May Be Happy?

What surprises us as we read the Sermon on the Mount, is the fact that Jesus makes happiness to spring from such an unexpected source. The very persons whose names we would naturally expect to find in a catalogue of happy people are not mentioned here.

The great Teacher did not say: "Blessed are the rich, the noble, the mighty, the famous, the gifted, the crowned, the titled." Jesus did not pronounce these people happy for the simple reason that a great part of the time these things bring much misery in their trail, and there is abundant evidence to prove that myriads of people are happy who possess none of these so-called dignities. Christ struck at the very root of blessedness.

The True Secret of Happiness.

In the first place, Jesus speaks of His people as being "blessed" not happy. Blessedness is a deeper word than happiness. Usually we, who are short-sighted, speak of people as being happy when the world goes well with them. Yet even we would hesitate very often before pronouncing such people "blessed." Happiness is outward and transitory; blessedness is inward and abiding. Outward conditions, such as prosperity or adversity cannot take it away. Good fortune is not blessedness; but good character is Happiness Consists in Being, Not Having.

What a man is, not what he has; what he is in himself, not what he does; his character, not his possessions determine his happiness. Blessedness the kingdom of Heaven, is founded upon character. The good man is the happy and blessed man.

The Poor in Spirit Are Blessed.

Jesus did not say, "Blessed are the poor, poverty in itself, no more than riches, is a blessing. Indeed, it may be a curse and the source of much unhappiness. No benediction is here placed upon poverty as such. It is not the beggar that is blessed. It is the "poor in spirit." The humble man; the man who places no confidence in his own good works, but pleads spiritual poverty; the man who comes to Christ for salvation with this plea upon his lips:

"Nothing in my hands I bring, Simply to Thy cross I cling; Naked, come to Thee for dress, Helpless, look to Thee for grace."

Those who "mourn" because of their spiritual poverty are blessed. Such mourning shall find comfort from God. This does not mean, blessedness is every one that weeps. Weeping is every one that weeps over their sins. Of course, God comforts His people when they mourn for other causes, too.

The "meek," too, are blessed. The man submissive to the will and purpose of God for Him in the world will always be happy. Indeed, unhappiness comes because we rebel against that will. The "meek" man is the man who is "broken-in" to do the will of God.

The man who is "pure in heart" as well as in life will find happiness in that condition. Purity in thought and in secret, as well as in act and in public, is demanded for happiness. The impure man is never the happy man. Impurity is hell, and no man is happy in hell.

The man who is constantly "craving" after a life of personal holiness, who has a passion akin to "hunger and thirst" after a godly life will be blessed. Indeed, if we seek righteousness rather than happiness we shall certainly find happiness through our righteousness.

The capacity for pity; the ability to sympathize, the practice of "showing mercy" is an essential profound for happiness. The hard-hearted man is not a happy man.

The ability and capacity "to suffer for righteousness' sake" is one of the conditions of happiness. The apostles "rejoiced that they were worthy to suffer for His name's sake." Suffering for the right should not bring sorrow, but contrite happiness. We are following in the train of Christ Himself.

# CURES AFTER THE DOCTORS HAVE FAILED.

RHEUMACIDE has cured thousands of cases of Rheumatism after all the doctors and all other means had failed. Rheumacide cured John F. Eline and others, of Baltimore, after the famous specialists of Johns Hopkins Hospital, the greatest hospital in the world, had failed. Rheumacide cured Austin Percelle, of Salem, Va., and D. H. Olmstead, the Norfolk, Va., contractor, after they had spent large sums on other remedies and the doctors had given up hope. Rheumacide cured Mrs. Mary Welborn, of High Point, N. C., of rheumatism she had endured for 20 years. Rheumacide cured W. R. Hughes, of Atkins, Va., after the most famous New York specialists failed. There is a reason why it cures: Rheumacide is the latest discovery of medical science, and while powerful enough to sweep all germs and poisons out of the blood, it operates by purely natural methods, does not injure the most delicate stomach, and builds up the entire system.

Almost a Miracle in This Case.

Dillon S. C. Aug. 18. Bobbitt Chemical Company. Gentlemen—In September, 1902, I took Rheumatism in a very bad form (rheumatism) in my right arm and leg. I began to feel my work and go to bed. It continued to grow worse until my arm and leg were badly drawn, so much so that I could not use them. My legs were drawn back till my feet touched my head. I was unable to walk for nearly 12 months. The muscles of my arms and legs were hard and shrunken up. I suffered less many times over. I was treated by different physicians in McCall, Dillon and Marion, but none of them could do me any good. Until Dr. J. P. Ewing of Dillon sent me a bottle of RHEUMACIDE. He wrote me and before the first bottle was used, my leg began to get better. I used 50 bottles and was completely cured. That was years ago and my health has been excellent ever since. I have had no symptoms of rheumatism. Will say further that I began to walk in about a day after I began to take RHEUMACIDE with the aid of crutches. In about three months after I began to take it I could walk as good as any body, and went back to work again. Yours truly, JAMES WILKES.

### AUTHORIZED CAPITAL \$400,000.00.

Money loaned to purchase houses and to pay off old debts and to buy additional property for investment at 6 per cent. on amount borrowed. The loan can be paid MONTHLY until the debt is extinguished, or it can be cancelled at option of the borrower at any time.

Don't you want to own your own home? Don't you want to pay off that old debt on easy terms? Don't you want to purchase additional property for investment? A home purchased on the Farmville Building and Trust Company plan will pay for itself in a reasonable time and put money in your pocket. If this is true it will pay

you to get a loan. The rental value of a \$1,000 house in Farmville is based on a net return of 10 per cent. a year to the landlord. Here is a GUARANTEED ILLUSTRATION of a \$1,000 loan made by The Farmville Building and Trust Co's plan:

You pay \$15 per month for 8 years and 4 months.....\$1,500.00

You receive in rent \$12.50 per month for 10 years.....1,500.00

So you practically get the \$1,000 property for nothing. Property is gradually advancing so do not delay. Try a loan with us LARGE or SMALL, and you will be highly pleased and find yourself much richer.

## Now Suppose You Are a Renter

You will pay in 10 years \$1,500, a total loss to you—not a toothpick

have you to show for it, nor do you own the \$1,000 home. Put the two together and you have played the rat and lost \$2,500. Remember property and building materials are increasing every month. Had you paid the \$1,500 to The Farmville Building and Trust Company you would have saved the \$1,500 and owned the \$1,000 home. Don't you think you had better come to see us and file your application? Don't wait a day longer. Don't you need a home? If not keep on burning your money. Our plan is new and to your interest. Remember we loan money at 6 per cent. interest on the amount borrowed. Eight years and four months will pay the loan and besides you have had use of the property all the time. Loans can be repaid at any time. Now is your opportunity.

Larger and smaller amounts loaned at same rate.
